2.4 Charges are fixed for the Initial Term. On each renewal the Supplier may increase charges by the annual change in the Consumer Prices Index plus 3 percentage points.

3. Term

3.1 This Agreement commences on the Effective Date and continues for an Initial Term of 24 months.

4.3 Termination for convenience during the Initial Term triggers an early exit charge equal to 50% of the charges that would have fallen due for the remainder of that term.

5. Service Levels

5.1 The Supplier warrants Platform availability of 99.5% measured monthly, excluding scheduled maintenance notified at least 5 business days in advance.

5.2 Where monthly availability falls below the warranted level, the Client is entitled to a service credit of 5% of that month's platform fee for each 0.5 percentage point shortfall, capped at 25% of the monthly platform fee.

5.3 Service credits are the Client's sole remedy for availability failures and must be claimed within 30 days of the end of the affected month.

5.4 Priority 1 incidents shall receive a response within 1 hour and a resolution target of 8 hours. Priority 2 incidents shall receive a response within 4 business hours.

8. Liability

8.1 Neither party excludes liability for death or personal injury caused by negligence, fraud, or any other liability that cannot lawfully be excluded.

8.2 Subject to clause 8.1, each party's total aggregate liability under this Agreement is limited to the total charges paid in the 12 months preceding the claim, being 105,000 GBP at the date of this Agreement.

8.3 Neither party is liable for loss of profit, loss of anticipated savings, or indirect or consequential loss.

9. Client Obligations

9.1 The Client shall provide test data, environment access, and named business contacts sufficient for the Supplier to meet the implementation date in clause 1.3.

9.2 The Client shall complete user acceptance testing within 15 business days of the Platform being made available for testing. The Platform is deemed accepted if the Client raises no material defect within that period.
